Query	DB	Op.	Plur.	Thes.	Date
(adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement))	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement))) and @pd<20030923	EPAB, JPAB, DWPI	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement))) and @ad<20030923	PGPB, USPT, USOC	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @ad<20030923) or ((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @pd<20030923)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @ad<20030923 or (adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @pd<20030923) and inhibit same complement	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @ad<20030923 or (adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009

complement)) and @pd<20030923 and inhibit same complement) and surface same (expressed expression display displayed)					
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @ad<20030923 or (adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @pd<20030923 and inhibit same complement and surface same (expressed expression display displayed)) and complement adj regulating adj protein	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @ad<20030923 or (adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @pd<20030923 and inhibit same complement and surface same (expressed expression display displayed)) and complement adj inhibitory adj peptide	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
((adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @ad<20030923 or (adenovirus adenoviral adenoassociated retrovirus retroviral lentivirus lentiviral) same (agglutination complement inactivation same (in adj vivo body adj fluid complement)) and @pd<20030923 and inhibit same complement and surface same (expressed expression display displayed)) and (parasite or bacteria or bacterial or parasitic) same complement same (inhibitory or inhibit or inhibition)	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
(zin chaudhuri wu).in.	PGPB, USPT, USOC, EPAB, JPAB, DWPI	OR	YES		11-05-2009
((zin chaudhuri wu).in.) and ed1	PGPB, USPT, USOC, EPAB,	OR	YES		11-05-2009

	JPAB, DWPI
